

SSTRAI Affiliation & Membership Renewal 2024

The Salmon & Sea Trout Recreational Anglers of Ireland is an all-Ireland federation of affiliated recreational game angling clubs.

Our aim is to

- ☐ represent recreational angling clubs in all aspects of the sport and to work towards an abundance of salmon and trout stocks.
- ☐ To promote environmentally friendly habitat restoration in all districts.
- ☐ To provide up to date relevant information on national and international matters concerning salmon and trout.
- ☐ To promote the recreational sport of angling throughout Ireland

Insurance requirements 2023: We have Public Liability cover to €6.5 million as this is now the limit required by state agencies such as Inland Fisheries Ireland, Leader Company's, Sports Capital Grants and County Councils for development projects and leases etc. Public / Products Liability cost €4.00 per member. Personal accident cover which is optional costs €3.00 per member. Please note to avail of personal accident cover all club members must be covered on the club personal accident policy.

Membership details; these are required for two purposes, firstly insurance and secondly for the Irish Sports Council annual return of membership to show participation in angling sport.

NB Please note an up to date register of membership must be maintained by all affiliated clubs. The figures required below are from 2022 and should be available from the clubs 2022 register of members. Where clubs expect an increase or decrease in membership please allow for this in the table below. Should additional membership cover be required please inform SSTRAI treasurer and s/he will make arrangements for the additional cover as necessary.

Total number of Members	Maximum number of Day Tickets sold in any one day	Total A+B
A ()	B () (if relevant)	_____

Note: Where day tickets/ permits are issued by clubs, please indicate the maximum number of day tickets issued in any one day. This number **must not** be exceeded.

The above information is mandatory to obtain cover.

Insurance premiums costs have increased nationally in recent years. SSTRAI has maintained premiums as low as possible through good risk management policies and procedures, Club Safety Statements, and Child Safeguarding Policies, Safeguarding 1, 2 and 3 training together with structured coaching and training programmes. SSTRAI does reserve the right to amend charges in line with insurance premium increases or decreases.

Total for Public/ Products Liability and Personal Accident is €7.00 per member i.e. A+B above _____ @ €7 = € _____

Note: The Personal Accident cover **is optional** however it is highly recommended, if your club does not require

Personal Accident cover then the Public Liability is Total A+B _____ @ €4.00 = € _____
